

# 2022 12th International Conference on Environment Science and Engineering (ICESE 2022)

September 2-5, 2022

Beijing, China

## CONFERENCE INTRODUCTION

**ICESE 2022** will be held during September 2-5, 2022, in Beijing, China.

ICESE 2022 is to bring together innovative academics and industrial experts in the field of Environment Science and Engineering to a common forum. The conference will be held every year to make it an ideal platform for people to share views and experiences in Environment Science and Engineering and related areas.

The conference has been successfully held in Bali, Bangkok, Beijing, Istanbul, Seoul, Barcelona and Leuven. Due to the impact of COVID-19, both 2022 and 2021 were held in the form of web conferences and achieved great success. I hope the epidemic will end soon and meet you in Beijing in 2022.
